Stewardship Pledge

In the Old Testament, God asked His People to make a first offering of ten percent of what He had blessed them with. This is known as a tithe, which is translated “ten percent”. The New Testament is silent about percentages of giving, offering us instead the example of the widow who gave all she had (two copper coins). Jesus holds her up as the example for Christian giving, because she did not simply give out of her abundance (i.e. ten percent), but she gave in proportion to her faith.

We realize that Christian Stewardship is not about percentages or minimums and maximums, rather it is about giving to God with cheerful, loving and thankful hearts. The chart presented here, which shows a tithe broken down into monthly and weekly amounts, is offered as an aid to help each of us gauge our giving.

Annual Income	10% (Tithe)	Monthly Amount	Weekly Amount
\$20,000	\$2,000	\$167	\$39
\$30,000	\$3,000	\$250	\$58
\$40,000	\$4,000	\$333	\$77
\$50,000	\$5,000	\$417	\$96
\$60,000	\$6,000	\$500	\$115
\$70,000	\$7,000	\$583	\$135
\$80,000	\$8,000	\$667	\$154
\$90,000	\$9,000	\$750	\$173
\$100,000	\$10,000	\$833	\$192
